INSTITUTIONAL CORE VALUES

We, at Shree Venkateshwara Hi-Tech Engineering College, consider the following core values close to our heart.

STUDENTS SUCCESS

Students are the reason for our existence and achievements. Student success is the focus of all of our work at East Central. Therefore, we have determined to foster academic and personal success of all of our students by providing a vibrant and healthy learning environment and assist them in developing their fullest potential to achieve their life goals.

TEACHING & LEARNING

The ultimate purpose of teaching is to help students to make passionate connections for learning. Therefore, we are committed to the highest standards of instructional excellence and provide exemplary learning opportunities through effective teaching, innovative programming, and utilization of various instructional methodologies.

COMMUNITY PARTNERSHIPS

The long-term, strategic goals of our college are aligned with and responsive to the needs of the community and serves as it seeks to provide a high-quality, postsecondary education. Therefore, we engage in collaborative and innovative partnerships with industry, education, government, and community groups to enrich the learning experiences of our students and communities and to increase the quality of life for our citizens.

RESOURCE PLANNING & DEVELOPMENT

We align our resources with our vision, mission, core values and institutional commitments to pursue innovative resource utilization and develop strategies for student's success.

COMMUNICATION

Clear, concise, and timely communication with internal and external constituencies are critical success factor for any effective organization. Accordingly we develop comprehensive strategies and implement broad plans and policies to advance our visibility and to educate, engage and involve stakeholders in the achievement of the college vision and the performance of the college mission.

EXCELLENCE

In our Institution we endeavor to create and seek after higher benchmarks by exhibiting quality in staffing, facilities and services by promoting continuous improvement, encouraging interdepartmental collaboration, creativity, innovation, and risk-taking among students as well as faculty. A culture of excellence pervades in the Institution in both academic and non-academic areas.

ACCOUNTABILITY AND TRANSPARENCY

We are engaged towards developing an atmosphere where every member takes responsibility for personal and professional growth and development. We continuously assess and enhance our policies, establish and impart characterized and objectives to ensure that our work increases the value of the college and society. We believe in having complete transparency at all levels of hierarchy to promote a healthier working atmosphere.

ETHICAL LEADERSHIP

Leadership is an essential component denoting ability and willingness to lead with professional practices. We commit ourselves to practice ethical leadership through deliberate and systematic attention to the ethical principles that guide all the students in a moral society.

SOCIAL RESPONSIBILITY

We respect the dignity of every individual and promote responsible citizenship and civic engagement. We advocate the faculty members and students for social justice on local, national and global levels. In accordance with we act on our social responsibilities and empower others to do the same.
